2010 Spring/Summer Class Schedule

Beginner Class: We walk you through creating your first pages and go over the importance of acid free products and educate you on the basic tools that make this craft fun and easy. **Additional Requirements:** Please bring 4 to 6 pictures of a related theme to class. **Cost: FREE.** Please call to schedule an appointment.

Formula for Fun – Looking for a way to speed up your scrapbooking? This is the class for you! Each month you will learn a new formula to create beautiful pages. The wonderful thing about formulas is that you can use them over and over and just by rotating the page it looks completely different. Each class you will receive a sketch of the formula and then create the 12x12 page as designed. Each month will be different so sign up for each month to learn all the formulas! **Cost \$7.50**
