Classes at Legacy Scrapbooks

We are excited to have our 6 month calendar of classes available for you. We have enhanced our classes to bring you more detailed and advanced projects. We are making some other changes with our classes as well to better serve our customers.

- There will be a minimum requirement of 3 people per class. If we do not have the minimum number of participants the class will be cancelled and those signed up and paid will be given a full refund. So if you are really excited about a class have a friend join you!
- Basic tools will be required for each class. Please come prepared for each class with a trimmer, scissors, ruler, pencil and adhesive. Note: The Kids and Adult Beginner classes will not require the basic tools.
- After each class we would like you to take a few moments to complete a survey to let us know how we did. Your input is always appreciated and valued to help us continue to improve. Thank you.
- No refunds will be given if you cancel a class with 48 hours of the scheduled class date. You will be given the class kit to complete the project on your own time.
- Class Allowance: For some classes you have the option to pick the papers/ribbons that will be used to make your project. For these classes you will have an allowance to spend. If you choose materials that go over the allowance you will need to pay the difference. If you choose materials that cost less, you will have a few extra dollars to put towards your other purchases.
- **On the day of your class you will receive 15% off the regular price of any tools featured in the class.**
